To whom it may concern:

Please accept this letter of reference for Mr. Beau Dubois in his application for a teaching position with your board.

I have had the pleasure of being Mr. Dubois' associate teacher during his February practicum. He taught 75% of the time in my French Immersion Early Years classroom. During this time Beau demonstrated flexibility in his teaching. He knows how to provide a stimulating learning environment with a variety of activities for the students; while using different teaching techniques: visual, auditory and humour to address the multitude of learning styles within the classroom. Beau has a good sense of organization while developing an excellent and positive rapport with the students. He maintains excellent communication with staff, parents and students. Mr. Dubois collaborates well with the Early Years team and shares his ideas often. He does not hesitate to help out any way that he can.

Beau offered his time after school to help out with the Kindergarten Open House event held at our school. He welcomed our future students with enthusiasm as well as their families. He showed he had great social skills, was comfortable discussing the early French Immersion Program and felt comfortable in the school to give a tour. Beau knows how to bring concrete and practical ideas forward to improve student learning. Beau is currently working towards his French as a Second Language Part 1.

Mr. Dubois is a dynamic and dedicate individual, who has a true desire to teach. I would recommend that you give serious consideration to Mr. Dubois application for a teaching position with your district. Please contact me at (519) 733-2338 if I can be of any further assistance to you.

Yours in education,
